

## ***Let's All Share the Sky!***

### ***Tell someone you meet about TakeWING***

Did you know most people who want to learn to fly *don't have a clue who to call or how to find quality flight instruction?* And, just like finding a good dentist or a great restaurant, we all would rather "*hear it from a trusted friend first.*"

**You can help "*share the sky*" by giving someone you know or meet a *little nudge* in our direction.**

**Nothing is more important to TakeWING than your good "word of mouth."** For each of your referrals we'll give both ***YOU and YOUR Referral*** a **10% OFF coupon** good for use with any of TakeWING's products or services—including instruction and aircraft rental!

---

***Write your name on the line above*** then give this slip to a friend, neighbor, or business associate— **we'll do the rest!**

***Thanks for Helping Share the Sky!***
